The IRS doesn't *initiate* contact with taxpayers by email, text messages or social media channels to request personal or financial information. This includes requests for PIN numbers, passwords or similar access information for credit cards, banks or other financial accounts. Phishing is a scam typically carried out through unsolicited email and/or websites that pose as legitimate sites and lure unsuspecting victims to provide personal and financial information. If you receive such an email from the IRS, send a copy of the email to phishing@irs.gov. Please do not respond to the email unless the email request you send to the IRS has been verified as legitimate. You may also contact our office regarding any correspondence, written or electronic, that you receive from the IRS.

Thank you for the opportunity to serve you.
